### What should everybody do?

**→ For the next 3 weeks**
- Nan will lead Wednesday’s class
- This Wednesday’s paper is up
- One team will lead the following Monday’s class

**→ If somebody else leads**
- Read the background paper(s)
  - No review is required (but I'll ask questions)
  - Get prepared & participate
    - Ask questions & challenge the leading team

**→ If you lead**
- Work as a team
- Read more about the literature on the specific topic
- You can ask the rest of us to read, but no more than 2 papers
- Relate the topic to your individual Term Papers
- Engage everybody
